

RESTORE ST. LOUIS SCHEDULE FOR THE WEEK

We have morning devotions as a group on Monday-Thursday mornings for about half an hour. Students will receive a devotional booklet that will work through and journal in throughout the week. The devotional will have follow-up questions that leaders may use for the evening debriefing sessions. The morning sessions are led by New City Fellowship staff and are vignettes of Sonship teaching and its application (one of the core Biblical teachings that God has adopted us into His family through Jesus Christ and sealed us in Him by His Spirit). During the devotional time we will sing (bring your own music and instruments!), pray (corporately and individually), listen to each other, and journal.
