

### **Mission to East Tennessee**

Longview is a Camp & Retreat Center in the mountains of East Tennessee that partners with churches to share the love of Jesus through fun, friendship, and adventure. Our vision is changed lives for the longview of eternity. We value the Gospel (We tell the good news of Jesus.), Hospitality (We are here to serve.), and Integrity (We pursue what's best.).

We help teams serve by providing the place, plans, and opportunities for mission work. Our Team will walk with you through the entire process.

Longview provides your lodging, meals, meeting space, outdoor space, activities, transportation (if needed), and mission opportunities. We welcome teams of all ages and sizes (up to 200).

Mission Projects can be catered to your specific group and can include serving other churches in need, camps, homeless shelters, pregnancy centers, schools, the poor, refugees, Appalachian Trail hikers, evangelism, business seminars, leadership seminars, marriage seminars, men, women, family, work on homes and buildings, landscaping, gardening, helping widows, firewood ministry, children and youth ministries, nursing homes, children's homes, foster homes, respite homes for those in ministry, and more. We customize each mission to your specific goals, interests, and abilities.

A typical day can look like this:

8AM Breakfast

9AM Mission Project

12PM Lunch

1PM Mission Project

6PM Dinner

7PM Activity

9PM Devotion

Cost depends on number of nights plus project. Please see rate sheet for night/meal cost. Projects can range from \$35-\$200 per person. For example, projects that are primarily physical labor are closer to \$35. Projects that require renovating or rebuilding a home/building are closer to the \$200 range.

Bring bedding for twin size bunkbeds unless staying in our hotel style lodging (call for further details). Other items needed are towels, toiletries, and outdoor clothing. In warm months you are welcome to swim in our pond or river. In cold months, be prepared for cold weather and snow.

Tools - you are welcome to bring your own tools. We are able to provide limited tools as well.
